Dear Section Five Arrowmen:

The climax of our year has come. We are here at the beautiful outdoor setting of Camp Linwood Hayne in Augusta to celebrate the Arrow - - its Spirit, Tradition, Honor and Vigor in both our lives and those we hope to touch through the Order. Are we ready and willing to accept the tasks which come through the purpose of the Order of the Arrow being applied? This is a question I hope crosses the thoughts of each of us frequently during Scouting and O. A. events. Our Order calls each Brother to service to fellow man in a manner and spirit different than other organizations. Let us meet that call and challenge forthrightly.

I want to express appreciation to so many persons and groups for the successful completion of our 1979 Section Annual Program especially the Section Officers, Advisers and Support Staff. They are to be thanked along with all the fine Brothers of our host lodge Bob White 87 for the highlight of our year, this Section Conclave.

I challenge you to participate fully in our Conclave program. It has been designed to train and inspire you to return to your local lodge resolved for greater service. I hope each of you will take this opportunity to visit with our special guests from all over the Southeast Region. I also anticipate conclusion, I remain

Aiming Upward,

David C. Surrett
Section SE-5 Chief

Bob White Lodge 87 Order of the Arrow

April 27, 1979

Fellow Brothers:

On behalf of the Bob White Lodge 87 welcome to the Georgia-Carolina Council, Camp Linwood Hayne and Augusta. Our lodge has been quite busy the past months in preparation for this 1979 Section SE-5 Conclave. Many camp improvements have been completed for your enjoyment and comfort. Let either Conclave Vice-Chief David Earnest or myself know if the lodge may be of service to any lodge or Brother during your stay with us.

The Bob White Lodge has a proud heritage of nearly 43 years' service and dedication to this Council and Camp. We are certain that you will experience this feeling over the week-end. Be sure to view our over 200 year old authentic log cabin, the J W Gu-Que Cabin which is the home of our lodge. It is serving as the headquarters this week-end for our Conclave operations.

We again hope every Brother has a fantastic experience. In conclusion I remain

With the Arrow,

Gregory A. Francisco

GENERAL PROGRAM NOTES

HERITAGE SHOW

The Friday night extravaganza marks the official opening of our 1979 Conclave. We shall reflect upon our heritage as Arrowmen in the Order in both serious and humorous style. The beginning of the program will have welcomes from several persons and concludes with a Rededication Ceremony for all Brothers attending.

CONCLAVE ARROW SHOW

The feathers will fly in the Council Ring Saturday. It's the Conclave Arrow Show and you shall long remember it. An informative National Conference slide presentation, the Section Superior Ceremonial Team presentation and Team and Individual Dance competitions are the evening's highlights. Don't miss it!

WORSHIP SERVICE

We shall welcome Mr. Phil Kearse, Director of Christian Education at St. John's United Methodist Church in Aiken, SC. Phil is a Sum Cum Laude graduate of Wofford College and Yale Divinity School. Let us all remember "A Scout is Reverent."

persons shall be accepted for competitions except those permitted by ruling of the judges.

2. All contestants and teams must be on time and ready to perform in their categories when judging starts. Once competition has started, no one will be allowed to start late.
3. Each lodge will appoint two judges knowledgeable in Indian Events. One will judge Ceremonial Competition and the other all additional competitions. It must be noted that these judges should be capable in ceremonial, costuming and dancing areas. If a lodge feels it does not have a capable person, then one should not be appointed. However, it must be understood that the other judges shall be fair and unbiased in all activities.
4. Efforts to keep the program on schedule will necessitate not all judges evaluating in all categories. This rule is interpreted as stating that during costume competition one-half of the judges will evaluate each category and one-half of the judges will evaluate the ceremonial and pow wow competitions respectively. The selection of judges for the various categories will occur through random selection.
5. All judges' decisions shall be considered final in all matters. Any inquiries concerning this policy should be directed to the Indian Events Coordinator first and then to the Section Chief and Section Adviser.
6. All participants must be under age 21.

3. There will be 12 points awarded for first place, 11 for second, 10 for third and so on down to sixth place.

4. A revolving trophy will be awarded to the lodge with the highest total score during the Closing Assembly.
