WITHLACOCHEE LODGE OUTSTANDING ARROWMAN AWARD

1. Description. The Withlacoochee Lodge Outstanding Arrowman Award is a special lodge patch for active (current year's dues paid) youth and adult Arrowman. Arrowmen have the opportunity to earn one award each program year.
2. Purpose. To recognize Arrowmen who make contributions to the lodge, support its programs, and uphold the principles in the Order of the Arrow Obligation.
3. Administration. The Withlacoochee Lodge Outstanding Arrowman Award program is managed by the Lodge Chief under the advisement of the Lodge Adviser. The Lodge Chief is the final authority to determine award eligibility. The Lodge Chief may bestow an honorary Outstanding Arrowman Award to deserving Arrowmen who make significant contributions to Withlacoochee Lodge but are unable to frequent lodge events due to do other Scouting or business commitments.
4. Period of Eligibility. The period to earn the Outstanding Arrowman Award corresponds to the lodge's program year which starts at the lodge's summer fellowship in August and ends at the SR-9 section Heartland Gathering in mid-April. The contributions must be completed in one single program year. The Withlacoochee Lodge Chief will formally present the Outstanding Arrowman Award to the recipient at a lodge event. Recipients will have an opportunity to purchase one additional Outstanding Arrowman Award patch when they receive their first award. Subsequent Outstanding Arrowman Awards after the first award will be in the form of a distinctive pin that can be displayed on the patch.
5. Arrowmen must apply for the Outstanding Arrowman Award using this form. Arrowmen are expected to abide by the Scout Oath and Scout Law when documenting contributions towards the Withlacoochee Lodge Outstanding Arrowman Award. Lodge leadership reserves the right to verify the contributions made by the Arrowman using registration, attendance, and participation records in the OA LodgeMaster (OALM) database.
6. The Lodge Key 3 may edit or modify the award requirements for the following program year based on the lodge chief's annual goals, changes to Journey to Excellence standards, or the needs of the Scouting program in South Georgia Council. Changes to the award requirements will be discussed by the LEC and published to the lodge membership before the start of the lodge program year.
